More Organisational Matters

Language:
- The course will be taught in English
- You may ask questions and submit work in English or German

Target audience:
- This course is only intended for students in the Applied Computer Science MSc programme.

Literature:
Assignments

**Exercise assignments (homework)**
- available Wednesday mornings (at lecture) or from lecture website
- returned one week later **before** the Wednesday lecture (9:15)
- solutions discussed in the tutorial session the following day
- questions: email Gabriele Röger

**Rules for assignments**
- may work together and submit work in groups of **two** people (write both names on your solutions)
- homework is graded (up to 10 marks per assignment)
- satisfactory solutions ⇒ bonus points in the exam (see next slide)
- groups of more than two people, plagiarised solutions: zero marks
- repeated plagiarism: forfeiture of all bonus points
Exam

**Final exam**
- written exam on March 3rd, 14:00-15:30
- only requirement for passing the course; need 50 out of 100 points to pass
- can get bonus points from homework and from demonstrating solutions in the tutorial sessions

**Bonus points**
- must demonstrate solutions on the blackboard in the tutorial session at least once to get any bonus points
- 1 bonus point for each homework assignment with at least 6 marks
- 1 bonus point for first time you demonstrate solution on the blackboard
- 1 bonus point for second time you demonstrate solution on the blackboard

**Example**
- You got 45 points in final exam.
- You demonstrated your solution on the blackboard once.
- You achieved at least 6 marks for 7 of the assignments.
- total: 45 + 1+ 7 = 53 ⇒ PASS
