

Organisation

Organisation

- Written exercises + Programming
- **Every student has to present once for bonus points**
- Bonus points for grade improvement
- Groups of three students (maximum)
 - One submission per group
 - Don't copy from other groups (plagiarism)

Submissions

- Deadline is midnight at the due date!
- Written submissions via paper in the lecture or via eMail as pdf.
- Programming tasks as commit in the svn.
 - If you have any problems, eMail the submission until the deadline and commit later

Subversion Access

- One account per group
- `svn co https://sebastiano.informatik.uni-freiburg.de/svn/bench_task_alloc`
- Only write/commit in your directory at:
 - `modules/sample/src/sample/grp#`
- You should not have access to any other group directory or our solutions, if you do, tell us as soon as possible.
