More Organisational Matters

Language:
- The course will be taught in English
- You may ask questions and submit work in English or German

Target audience:
- This course is only intended for students in the Applied Computer Science MSc programme.

Literature:

Assignments

Exercise assignments (homework)
- available Monday mornings (at lecture) or from lecture website
- returned one week later before the Monday lecture (12:15)
- solutions discussed in the tutorial session the following Thursday
- questions: email Evis Plaku or Christian Becker-Asano

Rules for assignments
- homework is graded (up to 10 marks per assignment)
- may work together and submit work in groups of two people (write both names on your solutions)
- groups of more than two people, plagiarised solutions: zero marks
- to qualify for exam:
  - above 50% correct solutions

Exam

Final exam
- written exam in the end of the semester
- only requirement for passing the course; need 50 out of 100 points to pass
- you need to achieve at least 50% of the points of all exercises!
